

**Vogue is awesome. When the aim is to blow your audience away,  
Vogue is the weapon of choice.**

**Vogue invites interaction** and avoids any possibility of being passed by unnoticed. The unit is a force to be reckoned with due to its stunning design, custom-engineered steel side accent blades, patented vandal-resistant locks, and standard 40" LCD display.

Due to its expansive display, Vogue is a perfect candidate for advertising, marketing, and lead-generation applications, as well as directories, human resources, and eConcierge services. Vogue provides abundant internal space for a wide variety of peripherals, and the model is available with either a landscape or portrait display.

### Many clients use the Vogue for the following:

- **Business Directory/Wayfinding**
- **eConcierge**
- **ReceptionKiosk Solution**
- **In-Store Cataloguing/Product Showcases**
- **Branding/Advertising**
- **Sponsored Messaging**
- **Surveys & Lead Generation**
- **Certain Transactional Applications**
- **Web-Based Applications**

**Just ask American Products** how we can improve your institution or company by making it more efficient and more effective. We are here to help you achieve your goals!
